WORK EXPERIENCE

Fitzgerald Collaborative Group

Tallahassee, FL

Project Manager

October 2023 – Present

- Coordinate multidisciplinary teams, including architects, engineers, and contractors, to achieve project goals.
- Implement quality control processes to guarantee technical accuracy and a high standard of design deliverables.
- Manage project timelines, budgets, and resources, optimizing costs and ensuring timely delivery.

Barkley Consulting Engineers, Inc.

Tallahassee, FL

Architectural Project Manager

January 2007 – October 2023

- Coordinated document preparation with consultants, contractors, and team members.
- Produced drawings, 3D renderings, and details using CAD, SketchUp, and Adobe software.
- Applied codes, regulations, and ADA standards to architectural projects.
- Reviewed shop drawings and project submittals for compliance with project specifications.
- Performed quality assurance and mentored interns to ensure project excellence.
- Served as primary client contact for all architectural projects.
- Assisted in the preparation of solicitation packages for government projects.

Johnson + Milner, Inc.

Tallahassee, FL

Vice President of Operations

April 2013 – October 2023

- Developed and implemented strategic direction for company areas, including daily operations.
- Assisted with marketing for new projects, including solicitations, RFQs, and network building.
- Oversaw budgets and accounting functions.

Cromwell Architects Engineers

Little Rock, AR

Summer Intern

May 2006 - August 2006

- Set Up and Organize Construction Documents along with implementing red lines with limited quality control given to me from my supervisor.

Florida A&M University

Tallahassee, FL

Bachelor of Science in Architectural Studies

2007

- Graduated Cum Laude with a 3.1 GPA

SKILLS & INTERESTS

Skills: Over 15 years of experience in Architectural Design, finalizing construction documents for diverse building types including industrial, civic, commercial, retail, and residential projects. Skilled in using 2D and 3D design mediums for effective client visualization. Proven success in programming, planning, and operational projects, with strong collaboration skills involving senior staff and consultants.

Interests: When I am not working, I enjoy graphic design and creating drone videos.
